ಯನ್ನು ಕೊಟ್ಟಿದ್ದೇನೆ. ಏತಕ್ಕೆಂದರೆ ಅಲ್ಲಿರುವ ರೈತರಿಗ ಸಕಾಲದಲ್ಲಿ ಅನುಕೂಲವಾಗುತ್ತಿಲ್ಲ. ಕೆಲವು ಅಧಿಕಾರಿಗಳು, ಮಾರ್ವಾಡಿ ಅನುಕೂಲಕ್ಕೆ ೧೫೦ ಎಕರೆ ಜಮೀನನ್ನು ತೆಗೆದುಕೊಂಡು ಪಿಕ್‌ಅಪ್ ಮಾಡಿದ್ದಾರೆ. ಸರ್ಕಾರ ಏತಕ್ಕೆ ಖರ್ಚುಮಾಡಬೇಕು ಸರ್ಜಾಪುರದ ಹೋಬಳಿಯಲ್ಲಿರುವ ಬಡವರಿಗೆ ಅದರಿಂದ ನೀರಿನ ಉಪಯೋಗವಾಗುತ್ತದೆಯೇ ಎಂದು ನ ನು ಕೇಳುವುದು.

ಶ್ರೀ ಎಸ್. ಸಿದ್ದವೀರಪ್ಪ.—ಮಾರ್ವಾಡಿಗೆ ಮಾಡಿದ್ದಾರೋ ಯಾರಿಗೆ ಮಾಡಿದ್ದಾರೋ ಗೊತ್ತಿಲ್ಲ. ಭೂಮಿಗೆ ನೀರನ್ನು ಕೊಡತಕ್ಕದ್ದು ಮಾಡಿದ್ದಾರೆ. ಇದು ಸುಮಾರು ೩೦೦ ಎಕರೆ ನೀರು ಆಗಬಹುದು. ಮಾರ್ವಾಡಿ ಹೆಸರಿನಲ್ಲಿ ಮಾಡಿದ್ದಾರೂ, ಅಥವಾ ರೈತರ ಹೆಸರಿನಲ್ಲಿ ಮಾಡಿದ್ದಾರೋ ಎನ್ನುವ ಬಗ್ಗೆ ವಿವರ ಇಲ್ಲ. The pick-up will be taken up now and s me grants have been given during the current year's budget as that has been thought to be (feasible.)

ಶ್ರೀ ಎಸ್. ಬಂಗಾರಪ್ಪ.—೩೦೦ ಎಕರೆಯಲ್ಲಿ ೨೫೦ ಎಕರೆ ಮಾರ್ವಾಡಿಗೇನೇ ಹೋದರೆ ಹೇಗೆ ?

ಅಧ್ಯಕ್ಷರು.—೨೫೦ ಎಕರೆ ಜಮೀನು ಲ್ಯಾಂಡ್ ರಿಫಾರ್ಮ್ಸ್‌ನಲ್ಲಿ ಹೇಗೆ ಬರುತ್ತದೆ ?

Acquisition of Levy Food

694. SRI A. R. BADARINARAYANA (Shimoga)—Will the Minister for Food and Civil Supplies be pleased to state :—

the acquisition of levy food in the several districts 1972-73, 1973-74, 1974-75 and 1975-76 ?

SMT. E. E. VAZ (Minister for Food and Civil Supplies)—

Vide Statement placed on the Table of the House. ** The procurement policy for 1975-76 will be decided after the close of the current crop year.

SRI A. R. BADARINARAYAN.—From the figures furnished it is seen that in Shimoga District procurement of paddy is almost 25 per cent of the entire State's collection. Is the Government aware that Shimoga district has a very high potential for food crops and with a view to give more incentives to the people will the Government consider instituting a sort of inducement to the people of the district for growing more food in the district ?

† SMT. E. E. VAZ —It is not correct to say that Shimoga district is giving 25 per cent of the total levy collections of the State. Shimoga has got much of the irrigated lands and as such the levy given is not that much when compared to other districts like North Kanara. In view of the fact that Shimoga has more irrigational facilities I think the hon. Member could induce the farmers in Shimoga district to give more levy. Further if there is any possibility of giving more inducements to the farmers the hon. Member could make suggestions thereto and the Government will consider it.

** Copy placed in the Legislature Library *Vide* No. 54 dated 5-4-1975

SRI A. R. BADARINARAYAN.—No doubt the location of irrigation projects is in Shimoga district but the utilisation is in other districts. It is a misnomer to think that in Shimoga district irrigation facilities are more than in other districts. Is it not a fact ?

SMT. E. E VAZ.—Other districts also have irrigation potentialities. But based on the extent of irrigated land the levy paid by Shimoga district is not as much as is given by other districts where there are no such facilities. But if any other incentives could be given naturally Government will consider.

High Schools Junior and First Grade Colleges Started in the State

688. SRI A. R. BADARINARAYANA (Shimoga)—

Will the Ministerfor Education be pleased to state :—

the number of High Schools, Junior Colleges and I Grade Colleges started by Government and by Private Agency in the years 1972, 1973, 1974 and the number of such Institutions proposed to be started in 1975 ?

SRI M. MALLIKARJUNASWAMY (Minister for Education)—

	1972-73		1973-74		1974-75	
	Government	Private Agency	Government	Private Agency	Government	Private Agency
High Schools	14	58	—	72	—	51
Junior Colleges (Upgraded)	121	111	22	1	—	—
Independent	—	16	1	17	—	7
I Grade Colleges	—	8	—	13	1	10

It is too early to indicate the number of High Schools, Junior Colleges and I Grade Colleges proposed to be opened during 1975.

SRI A. R BADARINARAYANA —May I know whether a Master Plan is prepared regarding the felt needs of the people in the State in regard to establishment of High Schools, Junior Colleges and First Grade Colleges ?

† SRI M MALLIKARJUNASWAMY.—No

SRI A. R. BADARINARAYANA.—Is it not necessary to have such a plan prepared so that the sanction may not be accorded on an adhoc basis but on a planned basis ?
